

PARIS FULLY UPHOLSTERED OTTOMAN BEDSTEAD

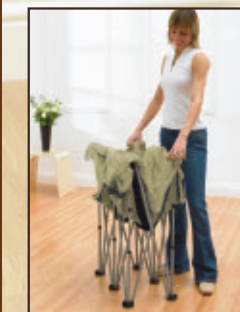

Fully upholstered faux leather Ottoman bedstead, available in black or brown.
Slat frame is lifted with a pneumatic mechanism. This enables the frame to be lifted whilst the mattress is still in place, giving you easy access to the storage space below.

OSLO FAUX SUEDE OTTOMAN BEDSTEAD

Fully upholstered in faux suede, available in two colours, chocolate brown or taupe.

A padded headboard offers warm and comfortable support to sit up against whilst relaxing in bed. The beech sprung slatted frame is lifted with a pneumatic mechanism. This enables the frame to be lifted with the mattress in place, giving you easy access to the space below. Low profile mahogany feet complete the look.

Reclining feature (Single size only)

Now you really can take your bed with you wherever you go thanks to the Anywhere Bed. This remarkable foldaway bed is easy to assemble in minutes, yet looks and feels just like a conventional bed. Great for house guests, kids' sleep-overs and camping.

It can be folded down to a fraction of its size, and stored in the carry case provided. Includes an electric mains power air pump to inflate and deflate the mattress.
